

A Rafting Experience For Everyone

Looking for a unique adventure this summer? Look no further than River Run Rafting!

If you have never been rafting before, we encourage you to spend a day with us on the beautiful Ottawa River. We have a variety of rafting trips to choose from that match your level of adventure, the group you are with and the experience you want to have. Our trips are fully-guided through the world famous Rocher Fendu rapids of the Ottawa River, where trips are geared around the fun of Class 1 to Class 5 rapids.

Family Fun

Bring the family for a rafting trip they'll remember. Everyone gets a paddle and participates in a run down the river as we navigate through smaller rapids, calm whirlpools and splashing whitewater. A picnic lunch, wildlife and scenic viewing are just a few of the stops along the

way in this great day out.

High Adventure

Get your adrenaline pumping with high adventure rafting. Our bigger boats are perfect for those new to the sport, larger groups or teens.

Ultimate Sport Rafting

If you're ready for an "in your face" whitewater adventure, this is it! An awesome combination of thrills and spills make this trip one for adventure-seekers.

River Run Rafting offers one and two day rafting trips and packages, meals and camping. Riverside cabins are also available, or you may choose from many other accommodation options on our beautiful 165-acre resort property. Located in the heart of Ontario's white water playground, River Run Rafting has been a great Canadian adventure since 1980.

Add a little adventure to your

vacation and hit the rapids with River Run Rafting.
