

# Where to find your Fishing & Hunting Licenses

A licence to fish in Ontario consists of an Outdoors Card plus a fishing licence tag. An Outdoors Card is not required for a one-day fishing licence.

Anyone wanting to fish in Ontario needs an Outdoors Card to fish in Ontario if they are between the ages of 18 and 65. The sportfishing or conservation licence tag is printed on, or accompanied by, the plastic Outdoors Card. Your Outdoors Card is good for three calendar years. You can also get more

information on the Outdoors Card by calling 1-800-387-7011 from Monday to Friday, 8:30am to 5:00pm.

All the issuers on this page are able to provide fishing licence tags, small game licence tags, big game licence tags (deer, moose and bear) and Outdoors Card renewal services. In addition, all ServiceOntario centres on this page can provide new hunters with their first hunting version Outdoors Card.
