

Hey Girls - This Is The Store You've Been Missing!

In the heart of beautiful Downtown Renfrew is the store you have been waiting for. Keeping Company & Ella's Fashion Boutique is a store that has combined gifts and home decor with women's fashion. We invite you to "keep company" with name brands that suit a classic home decor style, while enjoying the boutique experience of designer brands that you won't find in any women's store.

Home Decor and Gifts

From the moment you walk through our door, your eye will be drawn to the sense of style that flows through the store. Gorgeous displays of exclusive items will compete for your eye's attention, so be patient -there's no rush! Every home has those few touches that make people wonder, "How did you ever find something like that?" Whether you choose an area rug, collectable mirror or

classic print, you can find that accent piece that will tie your room together in the home decor department.

If you can dare to part with a purchase as a gift for someone else, there is a piece for anyone on your list. From beautiful home scents to exquisite bath and body products to a selection

of girlfriend gifts that are sure to tickle your funny bone, we won't tell if you pick one up for yourself as well!
