

Whitewater Region: Get To Know Us!

If you're looking for a great way to spend a day, we have some ideas for you!

Whitewater Region is comprised of several different villages and hamlets, each with their own sense of style and variety. Beachburg is a quaint region full of unique gift shops and restaurants. It is also home to the Beachburg Fair which takes place every July. Cobden has a main street that contains a group of shops and services on an easy sidewalk stroll. Cobden is also

home to the area's Saturday Farmers' Market and the Cobden Fair held in August. Foresters Falls is home to our whitewater rafting notoriety with a variety of companies attracting people from all over the world to enjoy the Ottawa River, and history enthusiasts visiting our museum.

As a proud agricultural leader for the Ottawa Valley, our farmers truly do feed the world. Agri-business is Renfrew County's second largest industry, and tours throughout the

municipality will show you the key investment in agriculture that happens here. It all leads up to our popular Cobden's Taste of the Valley event which sees more than 5,000 people flock to our region in October.

You can have your pick of water and beaches, or land and shopping throughout Whitewater Region. Be a tourist here for a day, a weekend, or for the summer.
