

Family Fun Starts At Logos Land Resort

Logos Land Resort is a great way to spend the day with the kids. In fact, why not spend a few days, or even a week with us? Bring your own tent or trailer and camp or rent one of our cabins, Springdale RV's, villas or motel suites. Overnight guests have access to our sandy beach, trails, playgrounds and animal farm and enjoy discounts on our water park activities and our new zip line adventure.

Fun For Kids

We are perhaps best known for

our water park complete with 390' water slides, kiddie slides, a huge splash pad, mini golf, giant water trampolines, and lots of paddle boats. Our Genesis Restaurant is open daily from 7am to 2pm and our lakefront Grill House operates during water park hours. Our gift shops have a variety of souvenirs and treats, as well as a great selection of plush animals, always a favourite with kids.

Our 3,100 foot WhiteWater Zip Line Adventure, which crosses Astrolabe Lake twice. The last zip line is more than one quarter mile long! Take advantage of discounted pricing - only \$16 for the complete circuit - when you stay overnight or do repeat rides on the same day.

Birthdays coming up? We offer birthday parties all year round, but we do it best in the summer. Great food and fun!

Fun For Adults Too!

Logos Land guests enjoy discounts at the fabulous Oaks of Cobden, a championship par 71 course next door. Check our website for updates and news at Logos Land Resort!
