

Frontier Trails Camp: An Awesome Experience

Frontier Trails is one of the Ottawa Valley's best all-around camp experiences for kids. With 100 acres of trails and 3,500 feet of shoreline, the activities are endless and youth return year after year to explore new camps and meet new friends.

Campers sleep in comfortable dorms and enjoy home-cooked meals. The staff at Frontier Trails ensures the safety of all campers with experienced and friendly staff on site.

Outdoor learning camps provide kids with opportunities to increase confidence, gain new

skills and appreciate the value of being active outdoors. If you are not familiar with Frontier Trails, here is some information about some of our camps:

Horsemanship Camps

Frontier Trails offers three horsemanship camps. Western Beginner is for ages 8 to 14 and includes a one hour riding lesson each day.

Intermediate Camp is for kids with some horse experience and includes two hours of riding lessons each day. We offer this camp for ages 9 to 14.

Our Experienced Camp

includes English or Western style riding with three hours of riding, grooming and tacking each day. This camp is for kids aged 11 to 14 with experience.

More Than Horses

We're not only about horses at Frontier Trails. We have other camps that are great for kids too! Our camps start at age six and include: traditional camps, music camps, adventure and extreme adventure camps, preschool camps and a camp for kids who have English as a second language. We have seven sessions for camps starting June

30. You can come for one week or all seven and switch up your activities.

Frontier Trails has been in the camp business since 1976. We are operated by people who grew up in the camp experience so we know how to make great camps. Give your kids the Frontier Trails experience.
